A new club memner, who has just come to fown to live, and who is fast becoming very popular is Mr. F. H. McNamara. Lee in some business relations. All of which helps to explain the popularity.

marriage of Miss Bertha Townsend. elder daughter of Mr. and Mrs. Henry C Townsend, to Rufus Lathrop of Detroit which is announced for Wednesday, is the only important social affair of its kind on this week's cards. Weddings in July are rare in St. Louis, and I rather fancy that some of these June brides whose day of days proved anything but lovely and cool are wishing they had waited until Fourth of July month. We have had a topey-turyy season, sure enough, and it will do just as well to lay the blame on old Pelee.

Miss Townsend's wedding is to be a morning function, the ceremony at half past 3, with only relatives present, and a reception afterwards at 10, to which a large number of cards have been issued. The town is losing one of its most admired beauties by this wedding and one who is quite as much appreciated in other cities as in her own. Last year Miss Townsend was in demand for bridesmaid purposes. She had eight or ten invitations in the fall, both in St. Louis and out, and of course was not able to accept more than half of them.

The engagement of Miss Clariese Coudert of New York and Conde Nast, whose famfly has resided in St. Louis for several gen-erations, is to terminate with an early Sep-tember wedding, the date being set for the 2d. It will be a small affair, confined to the two families and other relatives, with no reception. The ceremony is to be perfaformed at St. Patrick's Cathedral.

The bridesmaids' frocks at the Sloane-Field wedding the other day at Lenox were pure and simple dreams—color poems in pale primrose and blue. Accounts in the public prints have called them everything from taffeta elik almost to hombazine, but I happen to know that they were of very fine silk mull in the primrose shade, with a satin dot. They were entirely handmade and a perfect mass of fine tucks, real "Val" and ruffles of primrose chiffen. With the frocks were worn big fluffy hats of pale blue chiffen and sashes of pale blue louisiene, with long fringed ends. The hats were trimmed with more "Val" and bows and ends of blue silk, fringed to match the scanes. A chou of blue silk was worn on the bodices and in their hands they carried the smartest touch of the season-large ing several months for their construction. They were gifts from the bride. The ribs and fittings were all of gold and the handles of ivory, thickly incrusted with topazes— the bride's stone—and turquoises, thus com-pleting the yellow and blue color scheme.

Miss Ethel Beatrice Whitaker, youngest daughter of Mr. and Mrs. L. Whitaker, No. 4302 Norfolk avenue, and Mr. Roy N. Roose were married June 28, at \$20 o'clock in the levening, at the home of the bride's parents.
